

What is it?

A webinar is a live and interactive web based seminar. You can attend a webinar wherever you have access to a PC and a phone, so getting top quality, live training is as easy as sitting at your desk.

How does it work?

We send you an e-mail invitation containing the link that will connect you to Mike's webinar session. All you need to do is click on the link, dial the webinar conference number, enter the PIN from your invitation and that's it - you're watching the webinar.

No Travel - No Venue To Find - No Wasted Time!

1. Click the link on the e-mail we send to you

2. Dial the teleconference number and enter your PIN

3. Enjoy top quality live training on your PC !
